

Yorkshire Surprise Royal

Figure 1 displays a 12x10 grid of 120 panels, each showing a 30x30 matrix of numbers. The panels are arranged in 12 rows and 10 columns. Each panel contains a 30x30 matrix of numbers, with some numbers highlighted in red and others in blue. The panels are labeled with circled numbers 1 through 12, indicating the rows. The columns are labeled with circled numbers 1 through 10, indicating the columns. The numbers in the matrices are arranged in a grid, with some numbers highlighted in red and others in blue. The panels are arranged in a grid, with some numbers highlighted in red and others in blue. The panels are labeled with circled numbers 1 through 12, indicating the rows. The columns are labeled with circled numbers 1 through 10, indicating the columns. The numbers in the matrices are arranged in a grid, with some numbers highlighted in red and others in blue.
