

Easton Surprise Maximus

The image displays a complex grid of numbers and letters, arranged in a diamond shape. The grid consists of 12 columns and 97 rows. The numbers are arranged in a way that forms a central path of numbers, with letters and numbers filling the surrounding space. The grid is labeled with circled numbers 1-12 on the left and right sides, and circled numbers 1-12 at the top of each column.

The grid is filled with numbers 1-9 and letters E, T, X. The numbers are arranged in a way that forms a central path of numbers, with letters and numbers filling the surrounding space. The grid is labeled with circled numbers 1-12 on the left and right sides, and circled numbers 1-12 at the top of each column.
