

Superlative Surprise Major

Figure 1 displays eight 8x8 grids, labeled 2 through 8, illustrating the evolution of a 3D lattice structure. Each grid contains numbers 1 through 8 and colored lines (red, blue, green) representing different components of the lattice. The grids are arranged in a 4x2 grid. Grids 2, 4, 6, and 8 are labeled with circled numbers. Grids 3, 5, 7, and 8 are labeled with circled numbers. The grids show a progression of the lattice structure from a simple 2D grid to a complex 3D structure.
